

Aloha Families!

Thank you for your interest in Voyager Public Charter School. We are currently accepting applications for the 2008-2009 school year for students who are between 5 and 8 years old. The students must meet the following age requirements:

- No younger than 5 years old by July 31, 2008
- No older than 8 years old by December 31, 2008

The application process involves several steps:

1. Pick up and complete a one-page application
2. Review the school's admission & tardy policies
3. Submit completed application to the school office (by March 14 to be included in the lottery)
4. Sign up for and attend an important parent information session
5. Once your child has been admitted you will be given an admission packet
6. Complete and return the admission packet by the summer deadline

Because Voyager is a "school of choice", it is important that families learn about and understand our philosophy and teaching methodologies. The program differs from traditional schools in many ways and our families have chosen to be part of this learning community because they want this type of learning for their child(ren).

I look forward to meeting you at one of the upcoming information sessions and sharing with you how Voyager is changing the face of public education in Hawaii. At those meetings I will be discussing how the role of the teacher differs at Voyager and how students are put "in charge" of their own learning from early on in their school experience. We will also be reviewing the contents of the admission packet.

If you have questions in the meantime, please feel free to contact Jasmine or Joyce at 521-9770.

With Warm Aloha,

Susan Deuber, M.Ed.
Principal
