Aloha Families!

Thank you for your interest in Voyager Public Charter School. We are in our eleventh year of our journey and are paving the way toward excellence in public education.

We are currently accepting applications for the 2012-2013 school year for students who are entering Kdg - 8th grade. The students must meet the following age requirement:

- No younger than 5 years old by July 31, 2012

The application process involves several steps:

1. Pick up or download (voyagerschool.com) our application packet starting January 18, 2012
2. Review the school's admission, tardy policies and parent expectations.
3. Submit completed application for the school office (by March 23 to be included in the lottery.)
4. Sign up for and attend a mandatory parent information session.
5. Once your child has been admitted you will be given an admissions packet.
6. Families have 15 days from the acceptance date to pay their non-refundable supply fee.
7. Complete and return the admission packet by the summer deadline.

Because Voyager is a "school of choice," it is important that families learn about and understand our philosophies and teaching methodologies. The program differs from traditional schools in many ways and our families have chosen to be part of this learning community because they want this type of learning for their children.

I look forward to meeting you at one of the upcoming information sessions and sharing with you how Voyager is changing the face of public education in Hawaii. At those meetings, I will be discussing how the role of the teacher

differs at Voyager and how students are put “in charge” of their own learning from early on in their school experience. We will also be reviewing the contents of the admission packet.

If you have questions in the meantime, please feel free to contact Jasmine or Kyllie at 521-9770.

Mahalo!

Amy Vorderbruegge
Principal
